## SUMMARY | TOTALS

Vacancy rates in Clark County went down for the second consecutive month to 20.24%. Seton Catholic High School will be occupying roughly 14,000 square feet of temporary classroom space at Sunrise Professional Building. It should be noted that vacancy rates have been going down quite substantially in the Cascade Park / East Vancouver submarket. If you were to remove the substantial vacancies at Nautilus and HP where tenants need to have a minimum requirement of 25,000 SF, the vacancy rate for that submarket would be a relatively healthy 13.4%.

Though the posted asking rental rate technically went up this last month, we have been seeing landlords offering deals at rates substantially less than their asking rates. Landlords and tenants alike should expect to see deals come in at \$2.00 or more off of market asking rates. Full fees or better broker promotions, and free rent for incoming tenants are the norm. Struggling tenants asking for rental concessions from their current landlord has also become uncomfortably typical.
